Children around the world living in poverty are experiencing a crisis, magnified by COVID-19. We have teamed up with Compassion to help 70,000 children who need our help right now!

70,000 is the average size of a pro football stadium. With your help, this stadium can be filled to help children and their families in dire need.

Scan the QR code to learn more about how we are Filling The Stadium to Help Children in Crisis. This is one stadium that cannot remain empty!
